

What can you say when you do not understand?

You can say:

- I do not understand
- Can you repeat that?
- Could you speak a bit more slowly?

This is called **clarifying** which means *making things clear*.

What else can you do?

You can frown.

You Try

Ask your classmate these questions, and write down the answers. Clarify if you need to.

1. What is your name?
2. How do you spell it?
3. Where do you come from?
4. How do you spell that?
5. Where did you go to school?
